

PGDM Executive + EMBA = Dual Specialization Program

MITSDE, in collaboration with **Avantika University**, offers a unique **Dual Specialization Program** for working professionals. Where one can choose one specialization—like Project Management—for the PGDM Executive (15 months), and another—such as **Business Analytics or AI—for the EMBA (12 months)**.

Complete prestigious postgraduate programs with dual specialization while advancing your professional journey.

Advance Your Career with this Dual Specialization Program (MITSDE + Avantika University)

The 27-month flexible PGDM Executive + EMBA program is tailored for working professionals, entrepreneurs, and corporate leaders seeking to upskill without career interruptions.

About MITSDE (MIT School of Distance Education)

- Part of the prestigious MAEER's MIT Group, Pune
- Established in 2008 with a legacy of education since 1983
- Offers AICTE-approved online PGDM programs
- Designed especially for working professionals
- Recognized among the top distance learning institutes in India
- Strong emphasis on industry-relevant curriculum and upskilling
- Vision: To be a global ed-tech leader delivering value through innovation and technology

About Avantika University

- India's first design-centric university
- Academic approach focused on Design Thinking + Liberal Education
- Challenges students with project-based, real-world learning
- Promotes just-in-time learning — practical, not theoretical
- Faculty act as facilitators and mentors, not traditional instructors
- Encourages collaboration, creativity, and critical thinking
- Aims to nurture socially responsible and innovative leaders

Course Structure

The program is divided into four semesters.

Learners will pursue the first two semesters as part of Avantika University's Executive MBA (EMBA). The final two semesters will be delivered by MITSDE, focusing on the PGDM Executive curriculum.
